City of West Linn

Robinwood Neighborhood Association (RNA, RN to be used for Robinwood Neighborhood)

Monthly Meeting Minutes

Tuesday, 1/8/2008

Kevin Bryck, President, called the meeting to order at 7:05 PM. Scott Sandie, RNA Treasurer, noted that the RNA fiscal year account balance was \$1223.86 (plus an existing, small credit at the UPS store on Willamette Drive). The December 2007 RNA meeting minutes were unanimously approved.

Items Discussed

Kantara Land-Use Application

Kevin Bryck noted that this application is the 4th item on the agenda at the 1/28/08 City Council meeting. A motion was approved to ask the City Council to move the review of the application to a later city council meeting where a greater number of interested parties would be available (see Motion section below for more details).

Robinwood Neighborhood Plan Review Update

The RN plan is set to be reviewed by the planning commission on February 6th and March 10th. The staff report should be available by January 23rd.

RN Goals

The following were offered by residents as potential goals for the RN for 2008:

-
- Work with city on crafting the best land-use application appeal parameters
-
- Form Committees to comply with RN by-laws (example: parks)
-
- Get involved with the City Budget Committee
-
- Work with city to determine the fate of the old fire station
-
- Work with city to craft parameters regarding proper oversight of Cedar Island (including park) land and foliage
-
- Form roads/traffic committee to improve the intersections of streets with Highway 43

Johnson Property

Per resident Terry Pennington, Bryan Brown has not yet finished his assessment of this application. Another resident Ole Olsen noted that Bryan Brown would be accepting comments on this application until noon on 1/11/08. A motion was approved to appeal the challenge the forward progress for the Johnson property – see Motion section below for more details.

City's Use of Fees as Revenue Generator

Various residents spoke in favor of persuading the city use the referendum approval method for fees. Lynn Fox noted that it would take a petition of 1200 names to facilitate this, and that a way to land many signatures would be to team with the Chamber of Commerce. Terry Pennington volunteered to join any anti-fee movement that potentially may form.
